

I'm Back

Peter Frampton

You took your shot
And knocked me down
Didn't see me movin'
On the ground
You got to finish
What you start
You pierced the armor but you missed their heart

I'm back!
Like Schwarzenegger in Terminator
I'm back!
Like a boomerang, never ailing
I'm back!
Hit this store on a bungee cord
I'm back!
There's a Lazarus in all of us
I'm back!

You ripped me up
You light the fire
But like a phoenix
I'll just fly higher:
Up to the mountain
And to the moon
Just stand beside me
And sing that tune

'Cuz I'm back!
Like Schwarzenegger in Terminator
I'm back!
Like a boomerang is never ailing
I'm back!
Hit this store on a bungee cord
I'm back!
There's a Lazarus in all of us
I'm back!

Under the rubble
In the debris
I was in trouble when you buried me
But there's a spirit
And there's a soul
And when you got it, run it
Up the bone

I'm back!
Like Schwarzenegger in Terminator
I'm back!
Like a boomerang that's never ailing
I'm back!
Hit this store on a bungee cord
I'm back!
There's a Lazarus in all of us
I'm back!
I'm back!
I'm back!
I'm back!

I'm back!
