

## Norman Wisdom

**Peter Frampton**

Before there was a hip-hop  
Before there was a rap  
There was a man from Malabon  
A really funny cat  
Crumpled collar, mangled tie  
Chaplain's favorite dude  
If anyone should ask you why the tweed, flat hat's askew

When Norman Wisdom wears his hat  
He means to wear it just like that  
When Norman Wisdom wears his hat  
He means to wear it just like that  
Like that

When Norman Wisdom wears his hat  
He means to wear it just like that  
When Norman Wisdom wears his hat  
He means to wear it just like that  
Like that
