

Save Me

Peter Frampton

This is the dream I have
Every night
Yours is the voice I hear
Every night
I don't know if you're really here
But I hold on tight
I can hold on tight

I used to walk around
Every night
Looked for a love to drown in
Every night
I'm coming up for air
Hold on tight
I can hold on tight

Save me, save me
Save me with your kiss
Save me, save me
Put love at the top of your list
Save me, save me
Save me with your kiss

This is the dream I have
Every night
Yours is the voice I hear
Every night
I don't know if you're really here
But I hold on tight
I can hold on tight

Save me, save me
Save me with your kiss
Save me, save me
Put love at the top of your list
Save me, save me
Save me with your kiss
Save me, save me
Save me with your kiss

Save me
Save me
Save me
Save me
Save me...
