

## Shadow of My Mind

Peter Frampton

I take the lift down to the ground  
And walk out to the street  
Stand on the corner and wait for the light  
Listenin' for the tweet  
Too old, get this, selling some strings  
It's such a beautiful day!  
I turn, a truck gets me back to my home  
I walk in and I play

The pretty ones all get off on 6  
Me and a dog on a leash  
Out here, the one in 901  
335 calling me  
I get a cookie and a Mericana  
The barista's my friend  
Sign on the place says "Casablanca"  
Tell me to play it again
