She Caught The Katy

Peter Frampton

She caught the Katy, and left me a mule to ride
She caught the Katy, and left me a mule to ride
Well my baby caught the Katy, left me a mule to ride
The train pulled out, I swung on behind
I'm crazy 'bout that hardheaded woman of mine

You know my baby she's long yeah, my baby she's tall
I said my baby she's long and my baby she's tall
My baby she's long and my baby's tall
She sleeps with her head in the kitchen and her feet out in the hall
I'm still crazy 'bout that hardheaded woman of mine

Yeah, I love my baby, she's so fine
I wish wish she'd come and see me some time
If you don't believe I love her, look what a hole I'm in
I don't believe what I'm singing, look what a shape I'm in

She caught the Katy, and left me a mule to ride
She caught the Katy, and left me a mule to ride
Well my baby caught the Katy, left me a mule to ride
The train pulled out, I swung on behind
I'm crazy crazy 'bout that hardheaded woman of mine
