

Glory To The King

Peter Furler

Awake, you're in a place you've never been
A world beyond imagining
And the gates are open wide

Awake, there's nothing to compare it to
Today your Savior beckons you
To a throne with no divide

Like a wave reaching the shore
With a final roar

A sea, a sea of voices sing
Glory to the King, the King of everything
You're here, lift up your hands and sing
Glory to the King, the King of everything

Awake, as shadows lift from every doubt
With nothing more to figure out
And no more tears to dry

Awake, to loved ones you've so dearly missed
The sting of death does not exist
There's no more wondering why

One sound, one light
One glorious sight

A sea, a sea of voices sing
Glory to the King, the King of everything
Join in, lift up your hands and sing
Glory to the King, the King of everything

Sing, the King of glory's face is shining down
Sing for every soul that's been redeemed
Sing, your family needs you to complete the sound
It's a bigger family than you've ever dreamed

A sea, a sea of voices sing
Glory to the King, the King of everything
It's here, the great awakening
Glory to the King, the King of everything

A sea, a sea of voices sing
Glory to the King, the King of everything
We're here to raise our hands and sing
Glory to the King, the King of everything
