

Greater Is He

Peter Furler

The hope of glory
The hope of glory
The hope of glory

Surrounded by forces too strong for us
Pressed hard on every side
We don't look to the left or the right for help
It comes from inside

And we don't fear the flame
We won't fear our enemies
And we don't fear what is to come
'Cause the battles already been won

Greater is He that is in us
Than He that is in the world
Greater is He that is in us
Than He that is in the world
Christ in us, the hope of glory

His name is love
His name is powerful
He's stronger than death
His name is above every other

Greater is He that is in us
Than He that is in your world
Greater is He that is in us
Than He that is in your world
Christ in us, the hope of glory
The hope of glory

Greater is He that is in us
Than He that is in your world
Greater is He that is in us
Than He that is in your world

Greater is He that is in us
Than He that is in your world
Christ in us, the hope of glory
Christ in us, the hope of glory

The hope of glory
The hope of glory
The hope of glory
The hope of glory
