

# Blood Of Eden

Peter Gabriel

D A D

A D  
1. I caught sight of my reflection  
A  
I caught it in the window  
D  
I saw the darkness in my heart  
A D  
I saw the signs of my undoing  
A D  
They had been there from the start  
A D  
And the darkness still has work to do  
A D  
The knotted chord's untying  
A  
They're heated and they're holy  
D  
Oh they're sitting there on high  
A D  
So secure with everything they're buying

G D  
R1: In the blood of Eden  
A D/F#  
Lie the woman and the man  
G D  
With the man in the woman  
A D/F#  
And the woman in the man  
G D  
In the blood of Eden  
A D/F#  
Lie the woman and the man  
G D  
We wanted the union  
A Asus  
Oh the union of the woman  
A D  
The woman and the man

2. My grip is surely slipping  
I think I've lost my hold  
Yes, I think I've lost my hold  
I cannot get insurance anymore  
They don't take credit, only gold  
Is that a dagger or a crucifix I see  
You hold so tightly in your hand  
  
And all the while the distance  
grows between you and me  
I do not understand

R1: In the blood of Eden...

**Bm** **A** **Bm**  
\*: At my request, you take me in  
**A** **Bm**  
In that tenderness, I am floating away  
**A** **Bm**  
No certainty, nothing to rely on  
**A**  
Holding still  
**Bm**  
For a moment  
**E**  
What a moment this is  
**Bm**  
Oh for a moment of forgetting  
**E Esus E2**  
A moment of bliss  
**D** **A**  
Heyyyyyyyyyyyyyyyyyyy

**D A D**

**A** **D**  
3. I can hear the distant thunder  
**A**  
Of a million unheard souls  
**D**  
Of a million unheard souls  
**A** **D**  
Watch each one reach for creature comfort  
**A** **D**  
For the filling of their holes

**G** **D**  
R1: In the blood of Eden  
**A** **D/F#**  
Lie the woman and the man  
**G** **D**  
With the man in the woman  
**A** **D/F#**  
And the woman in the man  
**G** **D**  
In the blood of Eden  
**A** **D/F#**  
Lie the woman and the man  
**G** **D**  
We wanted the union  
**A** **D/F#**  
Of the woman and the man

**G** **D**  
R2: In the blood of Eden  
**A** **D/F#**  
Lie the woman and the man  
**G** **D**  
I feel man in the woman  
**A** **D/F#**  
And the woman in the man (2x)

R1: In the blood of Eden  
We've done everything we can  
In the blood of Eden

Saw the end as we began  
With the man in the woman  
And the woman in the man  
It was all for the union  
Oh, the union of the woman,  
the woman and the man.
