

# Downside Up

Peter Gabriel

I looked up at the tallest building  
Felt it falling down  
I could feel my balance shifting  
Everything was moving around  
These streets so fixed and solid  
A shimmering haze  
And everything that I relied on disappeared

Downside up, upside down  
Take my weight from the ground  
Falling deep in the sky  
Slipping in the unknown  
All the strangers look like family  
All the family looks so strange  
The only constant I am sure of  
Is this accelerating rate of change

Downside up, upside down  
Take my weight off the ground  
Falling deep in the sky  
Slipping in the unknown

I stand here  
Watch you spinning  
Until I am drawn in  
A centripetal force  
You pull me in

Pull me in  
Pull me in  
Pull me in  
Pull me in  
Pull me in

Ovo ovo ovo  
Ovo ovo ovo  
Ovo ovo ovo

Ovo ovo ovo  
Ovo ovo ovo  
Ovo ovo ovo

Downside up  
Upside down  
Take my weight off the ground  
Falling deep in the sky  
Slipping into the unknown
