

I Grieve

Peter Gabriel

C/G **F** **G**
It was only one hour ago
F **G**
It was all so different then
C/G **F** **G**
There's nothing yet has really sunk in
F **G**
Looks like it always did
C/G **F** **G**
This flesh and bone
F **G**
It's just the way that you would tied in
C/G **F** **G**
Now there's no...one home

F C/G **G**
I grieve for you
F C/G **G**
You leave me
Am **G**
It's so hard to move on
Am **G**
Still loving what's gone
Am **G**
They say life carries on
Am **G**
Carries on and on and on and on

C/G - Amadd9/G - G

F **G** **C/G** **F** **G**
The news that truly shocks is the empty empty page
F **G** **C/G** **F** **G**
While the final rattle rocks its empty empty cage
F **G**
And I can't handle this

F C/G **G**
I grieve for you
F C/G **G**
You leave me
Am **G**
Let it out and move on
Am **G**
Missing what's gone
Am **G**
They say life carries on
Am **G**
They say life carries on and on and on

Am

Am

Life carries on

Am

In the people I meet

Am

In everyone that's out on the street
Am
 In all the dogs and cats
Am
 In the flies and rats
Am
 In the rot and the rust
Am
 In the ashes and the dust
Am **G**
 Life carries on and on and on and on
Am **G**
 Life carries on and on and on

Am
 It's just the car that we ride in
F **C/G** **G**
 A home we reside in
Am
 The face that we hide in
F **C/G** **G**
 The way we are tied in
Am **G**
 And life carries on and on and on and on
Am **G**
 Life carries on and on and on

G fade to **C/G**

C/G **F** **G**
 Did I dream this belief?
F **G**
 Or did I believe this dream?
C/G **F** **G**
 Now I can find relief
F **Am7**
 I grieve
