

In the sun

Peter Gabriel

I picture you in the sun
Wondering what went wrong
And falling down on your knees
Asking for sympathy
Being caught in between
All you wish for and all you see
And trying to find anything
You can feel that you can believe in
May God's love be with you
Always
May God's love be with you
You know I would apologize
If I could see your eyes
When you show me myself you know
I became someone else
But I was caught in between
All you wish for and all you need
I picture you fast asleep
A nightmare comes
But you can't keep awake
May God's love be with you
Always
May God's love be with you
Always
May God's love be with you
Always
May God's love be with you
Cos if I find if I find my own way
How much will I find
If I find if I find my own way
How much will I find
If I find if I find my own way
How much will I find
If I find if I find my own way
How much will I find
Said how much will I find
How much will I find
You
Will I find you
I don't know anymore
What it's for
I'm not even sure
If there is anyone
Who is in the sun
Will you help me to understand
Because I've been caught in between
All I wish for and all I've seen
Or maybe you are not even sure
What it's for
Anymore than me
May God's love be with you
Always
May God's love be with you
May God's love be with you
Be with you
May God's love be with you
