

Speak (Bol)

Peter Gabriel

Bol

Bol

Bol ke sach zinda hai

Bol

In terms of time's heavy storm
Say what you have to say
History holds you time is blown
Say what you have to say

In a silence so strong that it makes you its own
Stand up and speak out

Let the crows call
Let the stones fall
Say what you have to say
Bol zubaan ab tak teri hai

When those rocks break
(Tera sutawaan)
When the dreams break
(Jism hai tera)
Let the words call from within
From within

It can come to strange you
Come to mould and change you
Let the words flow from your lips
Speak your truth now
It's the only way out
You can be what you can be
Say what you have to say

Bol ke lab azaad hai tere
Bol ke lab azaad hai tere
Bol ke lab azaad hai tere
Bol ke lab azaad hai tere
Bol ke lab azaad hai tere
Bol ke lab azaad hai tere
Bol ke lab azaad hai tere

Aazad hai tere
Wanna drag it and you are rattling inside
(Bol Zubaan ab tak teri hai)
Say what you have to say
(Bol)
As so in life you can no longer hide
Say what you have to say
(Bol)
Abandon your fear and you bring back your pride
(Aadam)
Stand up, speak out
Aadam bol
Aadam bol
Aadam

(Tera sutawaan jism hai tera)

Let the crows call
(Tera sutwaan jism hai tera)
Let the stones fall
(Bol ke jaan ab tak teri hai)
Say what you have to say
(Bol ke jaan ab tak teri hai)
(Bol)

You speak your truth now
(Bol)
Its the only way out
(Bol ke lab aazad hai tere)
Let the words flow out of you
(Bol Zubaan ab tak teri hai)
Stand up, speak out
Bol ke sach zinda hai
