

# Don't Pity Me

Peter & Gordon

Love has gone and I can't take it anymore  
Seems you're actin'  
Just like you don't love me anymore

But you know all I'll wanna see  
Is your lovin' arms caressin' me  
But you know, that can never be

Don't pity me  
Don't pity me

'Cause I can see you're  
Goin' 'round with someone new  
Reckon you have been with him  
A time or maybe two

But if you say  
You're goin' away  
You're goin' away  
And away you'll stay  
I'll want you back  
But I won't take you back

Don't pity me  
Don't pity me  
Don't pity me

I want you to think that I'm all right  
Think that I go to sleep at night  
Oh, I know it's a lie  
I know it's goodbye

Love has gone and I can't take it anymore  
Seems you're actin'  
Just like you don't love me anymore

But you know all I wanna see  
Is your lovin' arms caressin' me  
But you know, that can never be

Don't pity me  
Don't pity me  
Don't pity me  
Don't pity me (I said don't pity me)  
Don't pity me (Oh please, don't pity me)  
Don't pity me (I said don't pity me)  
Don't pity me
