

# I Told You So

Peter & Gordon

I hear you're plannin' for to leave  
You say you're lookin' for a change  
Gonna go where cold winds blow  
Sun may shine but people don't know  
You'll regret it but  
I won't say I told you so

If you come cryin' back to me  
I'll give you love just wait and see  
There's lots of things that you don't know  
How deep I feel I don't show  
Don't fear to change your mind  
'Cause I won't say I told you so

There's lots of things that you don't know  
How deep I feel I don't show  
Don't fear to change your mind  
'Cause I won't say I told you so

I hear you're plannin' for to leave  
You say you're lookin' for a change  
Gonna go where cold winds blow  
Sun may shine but people don't know  
You'll regret it but  
I won't say I told you so
