

# Start Trying Someone Else

Peter & Gordon

It's up to you  
To do what must be done by you  
It's up to you  
To do what you have said you'd do

But if some day  
You find you can't live with yourself  
Baby, don't start cryin'  
Start tryin' someone else

You had to go  
'Cause in another town you had to show  
Another man  
But say what you already know

But soon he'll see  
And he will listen willin'ly  
You can say you're goin' with me  
And he will set you free

But if some day  
You find you can't live with yourself  
Baby, don't start cryin'  
Start tryin' someone else

I'm warnin' you  
Don't look too deep inside yourself  
For if you do  
You'll see how much you lied to yourself

And if some day  
You find you can't live with yourself  
Baby, don't start cryin'  
Start tryin' someone else  
Baby, don't start cryin'  
Start tryin' someone else
