

# Whatcha Gonna Do 'Bout It

Peter & Gordon

Oh, oh, our love, yeah, yeah  
Is slowly goin' on the rocks, now  
Yeah, yeah, yeah, yeah  
Tell me, tell me, baby  
What you gonna do 'bout it?  
What you gonna do 'bout it?

Our love, yeah, yeah  
Is in double jeopardy  
Yeah, yeah, yeah, yeah  
Show me, show me, sugar pie  
What you gonna do 'bout it?  
What you gonna do 'bout it?

You know I tried  
To keep you satisfied  
But you just won't comprehend  
And if you keep on doin'  
Doin' what you're doin'  
Our love will surely end

Dontcha know that our love, yeah, yeah  
Is slowly goin' on the rocks, now  
Yeah, yeah, yeah, yeah  
Tell me, tell me, baby  
What you gonna do 'bout it?  
What you gonna do 'bout it?

You know I tried  
To keep you satisfied  
But you just won't comprehend  
And if you keep on doin'  
Doin' what you're doin'  
Our love will surely end

Dontcha know that our love, yeah, yeah  
Is in double jeopardy  
Yeah, yeah, yeah, yeah  
Show me, show me, sugar pie  
What you gonna do 'bout it?  
What you gonna do 'bout it?

Oh, tell me, tell me, baby  
What you gonna do 'bout it?  
What you gonna do?
