

Bad Bad Feeling

Peter Green

I've got a bad, bad feeling, now, baby, ain't no good for you
Yes, such a bad, bad feeling, that what you're telling me ain't
true
I'm going to lock you up in chains now, so I can keep an eye on
you

I've got a bad, bad feeling, since you've been going out at nig
ht
Such a bad, bad feeling that what you're doing, girl, ain't rig
ht
I'm going to put you in my pocket, so I can keep you in my sigh
t

I've got a bad, bad feeling, such a bad, bad feeling
I've got a bad, bad feeling, now, baby, what you been doing?
I've got a bad, bad feeling, and the feeling ain't no good

I've got a bad, bad feeling, how it churns me up inside
Yes, such a bad, bad feeling, that what you're saying is just a
lie
I'm going to clip your wings together, so, little bird, you jus
t can't fly

I've got a bad, bad feeling, such a bad, bad feeling
I've got a bad, bad feeling, now, baby, what you been doing?
I've got a bad, bad feeling, and the feeling ain't no good

I've got a bad, bad feeling, now, baby, ain't no good for you
Yes, such a bad, bad feeling, that what you're telling me ain't
true
I'm going to lock you up in chains now, so I can keep an eye on
you
