

Bullet In the Sky

Peter Green

There's a bullet in the sky and it's loaded up with pain
There's a bullet in the sky and it's carrying my name
There's a bullet in the sky and it's coming straight for me
And, yes, the bullet in the sky could be my destiny

Bullet in the sky, bullet in the sky, bullet in the sky
Tell me it's a lie, tell me it's a lie, 'cause I don't want to die

There's a man across the street, he ain't got no face
There's gold around his feet and he wears a silver case
His hands are filled with fire and he flies beneath the sun
You can see your own reflection but there's nowhere you can run

Bullet in the sky, bullet in the sky, bullet in the sky
Tell me it's a lie, tell me it's a lie, 'cause I don't want to die

Bullet in the sky, bullet in the sky, bullet in the sky
Tell me it's a lie, tell me it's a lie, 'cause I don't want to die

There's a black cloud up above, and its filled with heavy water
No there isn't any love, it just reaches out to slaughter
Yes, he's hiding in the shadows, loaded like a gun
You can see your own reflection but there's nowhere you can run

Bullet in the sky, bullet in the sky, bullet in the sky
Tell me it's a lie, tell me it's a lie, 'cause I don't want to die
