

Cryin' Won't Bring You Back

Peter Green

Sometimes I get so tied up
Wrestling with these feelings here inside
Baby please make your mind up
Are we gonna make up
Or are yer gonna leave me with the rain

I know you got your reasons
I heard them when you hit me with the score
But honey, if you've got feelings
How can you just stand there
And say don't love me anymore

Cryin?won't bring you back
Cryin?won't bring you back
And cryin?won't bring you back
I'm tryin?
But cryin?won't bring you back
Cryin?won't bring you back
I'm cryin?
But cryin?won't bring you back

Tell me ist just a nightmare
And I can burn your message in the flame
Show me there's still something
Someway baby, someday baby
I can stop the rain

Cryin?won't bring you back
Cryin?won't bring you back
Cryin?won't bring you back
Yes, I'm tryin?
But cryin?won't bring you back
