

Help Me

Peter Green

You got to help me, baby, I can't do it all by myself
You got to help me, baby, I can't do it all by myself
If you won't help me, darling, I'll have to find somebody else

When I walk, walk with me
When I talk, you talk to me
You got to hear me, baby, I can't do it all by myself
If you won't help me, darling, I'll have to find somebody else

Bring my nightshirt, put on your morning gown
Bring my nightshirt, put on your morning gown
Well, I ain't sleeping, darling, mama, do you feel like lying down?
