

## Lazy Poker Blues

Peter Green

Me and my baby don't do nothing but lay around all day  
long  
I said me and my baby don't do nothing but lay around all  
day long  
Yeah when I'm with my baby, lazy poker goin' on

She puts some coal on the fire so I can keep my poker hot  
she puts some coal on the fire so I can keep my poker hot  
Yeah, we stoke around all day long and night time we  
stoke around some more

Well now me and my baby don't do nothin' but lay around  
the whole day long  
I said me and my baby don't do nothin' but lay around the  
whole day long  
When I'm with my baby, lazy poker goin' on
