

# Lost My Love

Peter Green

I lost my love, I lost my love  
I gave you everything, baby, but that wasn't enough  
And now you're gone, and I'm here alone  
I lost my love

I had it all, yes, I had it all  
You need some love, baby, I'm still ten feet tall  
But it all went wrong, and I'm standing alone  
And I lost my love

Just one more day, yes, just one more day  
And I would have been with you, but you wouldn't stay  
And now it's too late, for time doesn't wait  
I lost my love

No place to go, and no one to hold  
And without your love, baby, now what use is this gold?  
For the sake of my need, yes, and for the sake of my greed  
I lost my love

No place to go, and no one to hold  
And without your love, baby, now what use is this gold?  
For the sake of my need, yes, and for the sake of my greed  
I lost my love

I lost my love, I lost my love  
I gave you everything, baby, but that wasn't enough  
And now you're gone, and I'm here alone  
I lost my love
