

Six String Guitar

Peter Green

I ain't got a dollar, I don't have a dime
I ain't got no fancy woman to sweeten up my wine
I ain't got no fancy woman to sweeten up my wine
Just got my six string guitar and I play the old blues all the
time
Ain't got a limousine, I don't have a patch
Ain't got no sweet lady to straighten out my bed
I just got my six string guitar and I'm going to play it until
I'm dead
I just got my six string guitar and I'm going to play it until
I'm dead
I caught me a pig in and a tricky mason town
As the bar needs roof and a leaking is the goat's milk's turnin
g sour
Me and my six string guitar we get along any old how
Me and my six string guitar we get along any old how
You see once I had a woman, if you can be my babe
You don't have to love me, I ain't got over her yet
You see once I had a woman, I ain't got over her yet
You can keep your six string guitar, the last thing that she sa
id
I ain't got a dollar, I don't have a dime
I ain't got no fancy woman to sweeten up my wine
Just got me a six string guitar and I'm going to play it any ol
d time
