

Uganda Woman

Peter Green

Woman, how you move me
From mountains to the sea
Woman, how you soothe me
Your voice so wild and free

Uganda woman
Uganda woman

Dark eyed queen of beauty
I call across the land
Woman of dark water
I'm falling to the sand

Uganda woman
Uganda woman

I need your life
Like the tall trees need the sky
I need your warm arms
Like the eagle needs to fly

Uganda woman
Uganda woman
