Check the honesty of what's on offer,
True detective or a fake fakir?
All the evidence is circumstantial As mud the evidence is clear.
Paranormal the investigation Where do things go when they disappear?
All the evidence has been trumped up...
As mud the evidence is clear,
I think we're on to something here,
I think we're into something,
I don't know but maybe we're all goldfish
In the mental sphere.

Evidently goldfish, Never questioning environment; Self-evidently goldfish, We swim in circular experience.

Church of logical deliberation,
School of accidental wheels in gear,
Surface knowledge is a serious matter,
A little consciousness is dangerous, dear;
All the evidence must be summed up As mud the evidence is clear,
As mud the evidence is clear,
I think we're into something, I don't know but
Maybe we're all goldfish in the mental sphere.

Evidently goldfish
Never question their environment;
Self-evidently goldfish,
We swim in circular experience;
Evidently goldfish,
Round and round and round within our consciousness
In the mental sphere.

As mud the evidence is clear.
