

# Happy

Peter Hammill

How was it that we first met?  
...I forget, all I know is you  
looked happy.  
We walked around and talked a while;  
In your smile I found that I  
was happy.  
I want to tell you;  
it seems a thing to do;  
I want to show I truly care.  
Now at every time we meet  
we walk the streets, I'm with you and I  
feel happy.  
Just thought I'd tell you.  
It seems a thing to do,  
I want to prove I truly care.  
But how long will all this last?  
Time goes fast, It doesn't matter,  
with you, I'm happy.  
Time goes fast, It doesn't matter, with you  
I'm happy.
