

Unloveable

Peter Heppner

I gave you trust and I
I got betrayed
Gave you my heart and you
Threw it away
It hurts so bad
Hurts to be in love

Why can't I be
What you seek?
I must be unloveable to you
Why can't you see
What I feel?
I must be unloveable
Unloveable to you

There is no love for me
Or so it seems
Am I just dreaming
Someone else's dream?
It hurts so bad
Hurts to be alone

Am I invisible?
Without a sound?
Have I gone lost and just
Not yet been found?
It hurts so bad
Hurts to be no one

Why can't I be
What you seek?
I must be unloveable to you
Can no one see
What I feel?
I must be unloveable
Unloveable to you

I must be unloveable
Unloveable to you

Why can't I be
What you seek?
I must be unloveable to you
Can no one see
What I feel?
I must be unloveable
Unloveable to you
