

## Fire and Rain

Peter Hollens

Just yesterday morning, they let me know you were gone  
Suzanne, the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down upon me, Jesus, You've got to help me make  
a stand  
You've just got to see me through another day  
My body's aching and my time is at hand and I won't make it any  
other way

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Been walking my mind to an easy time, my back turned towards th  
e sun  
Lord knows when the cold wind blows it'll turn your head around  
Well, there's hours of time on the telephone line to talk about  
things to come  
Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you baby, one more time again  
, now

Thought I'd see you one more time again  
There's just a few things coming my way this time around, now  
Thought I'd see you, thought I'd see you, fire and rain, now
