

From Now On

Peter Hollens

I saw the sun begin to dim
And felt that winter wind
Blow cold

A man learns who is there for him
When the glitter fades and the walls won't hold
Cause from then, rubble
What remains
Can only be what's true
If all was lost
Is more I gain
Cause it led me back
To you

From now on
These eyes will not be blinded by the light
From now on
What's waited till tomorrow starts tonight
Tonight
Let this promise in me start
Like an anthem in my heart
From now on
From now on

I drank champagne with kings and queens
The politicians praised my name
But those are someone else's dreams
The pitfalls of the man I became
For years and years
I chased their cheers
The crazies be always needed more
But when I stop
And see you here
I remember who all this was for

And from now on
These eyes will not be blinded by the light
From now on
What's waited till tomorrow starts tonight
It starts tonight
And let the promise in me start
Like an anthem in my heart
From now on
From now on
From now on

And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!

(From now on!)

And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home

(Yes)

Home, again!
And we will come back home
And we will come back home
Home, again!
From now on

These eyes will not be blinded by the light!

From now on!

Whats waited till tomorrow starts tonight!
It starts tonight!
Let the promise in me start
Like an anthem in my heart
From now on
From now on
From now on!

And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!

From now on
From now on
Home, again! (Oooo uuuu)
From now on
From now on
Home, again!
