

Where No One Goes

Peter Hollens

Let the wind carry us
To the clouds, hurry up, alright
We can travel so far
As our eyes can see

We go where no one goes
We slow for no one
Get out of our way

I'm awake when up in the skies
There's no brake up so high, alright
Let's make it our own
Let's savor it

We go where no one goes
We slow for no one
Get out of our way

We slow for no one
We go where no one goes

We slow for no one
We go where no one goes

We go where no one goes
