

Something Will Happen

Peter Maffay

Something Will Happen, Good Things Will Come. Sun Of The Inside
Keep Shining On.

When You're Down And Your Cross Is Hell. You Can Take It No More,
You're Under A Spell - Don't Check Out Of This Place 'cause
Something Will Happen.

I Was Waiting At The End Of The Road. You Walk Alone And Carry
A Load Every Little Faith In Yourself - But Something Will Happen.

Easy Now, Just Take Your Time, Don't Lose Control. Get A Respect
Yourself, Find some Peace Of Soul. And You'll Be Fine.

Something Will Happen, Good Things Will Come. Sun Of The Inside
Keep Shining on.

Gesegnet sind wir mit viel Liebe zur Kunst, Worte in Würde und
voller Inbrunst. Irgendwas geschieht-für alle gemeinsam. Grenzen
verschwinden, weil Menschen Fehler einsah'n. Keine Floskeln,
keine leeren Versprechen. Wir sind existent, um den Haß zu brechen.
Reden mit Herz und keine Sprache ist fremd für jeden, der
sich der Harmonie am Leben bekennt.

This Pain In Your Heart Will Break You In Two Guilt And Down Keep
Your Home To You. You've Got To Be Good To Yourself. And
Something Will Happen.
