You Are My Kind O' Woman

Peter Maffay

As the sun goes down
I walk the evenin' town
So much time on my hands
I watch the girls go by
When I catch their eye
I say, "Baby, understand"

You are my kind o' woman, alright
And I got nothin' to do tonight
Hey, yeah, you know you look so fine
And if you got the time, I'm gonna make you all mine

I don't need no beauty queen
No, baby, don't know super dream
Thats just not my style tonight
If she can spare a smile
And she can dance a while
Then today she's just right

You are my kind o' woman, alright
And I got nothin' to do tonight
Hey, yeah, you know you look so fine
And if you got the time, I'm gonna make you all mine

Now the nights begun
Soon the day is done
But you are by my side right here
As the band plays Rock 'n' Roll
We're dancin' soul to soul
And I whisper, "My love for you shines clear"

You are my kind o' woman, alright
And I got nothin' to do tonight
Hey, yeah, you know you look so fine
And if you got the time, I'm gonna make you all mine

Na, na na na na na
Na, na na na na na na na
Na, na na na na na (Na na na na)
