

You've Got Something

Peter Maffay

Like you I was searchin' for something
Like you I was often alone
When we met on that lucky Sunday
No more will we two be alone

You've got something that no one else has
You have changed my whole life's arrangements
Given my world a brand-new meaning
Hm, hm-hm, hm-hm, baby
You've got something that no one else has
Guess that's why I will always love you
I hope you feel the same way too

Sometimes, well, I know that I hurt you
Though I never mean it that way
Still I know it won't come between us
You have such a forgiving way

You've got something that no one else has
You have changed my whole life's arrangements
Given my world a brand-new meaning
Hm, hm-hm, hm-hm, baby
You've got something that no one else has
Guess that's why I will always love you
I hope you feel the same way too

You've got something that no one else has
You have changed my whole life's arrangements
Given my world a brand-new meaning
Hm, hm-hm, hm-hm, baby
You've got something that no one else has
Guess that's why I will always love you
I hope you feel the same way too
