

# Blue

Peter McPoland

Don't feel very sleepy  
Just kind of a deep burning anger each week  
Don't feel very upset right now  
Just grinding my teeth cause I like how it sounds

I sound like a baby  
Admit it  
I sound like a whining excuse and a dick  
I sound I like it's time to turn blue and give in  
I sound pretty righteous, who gives a shit

Listen up  
Come close  
I'm fucked  
I froze  
What I said  
I didn't mean  
Don't slow down for me  
Listen up  
Come close  
I'm fucked  
I froze  
What I said  
I didn't mean  
Don't slow down for me  
Listen up

Listen up  
Hear me  
I'm so sorry  
What I said I didn't mean  
Don't slow down for me listen up  
Hear me  
I'm so sorry what I said I didn't mean  
Don't slow down

Don't listen to me  
Come close  
I'm fucked  
I froze  
What I said  
I didn't mean  
Don't slow down for me  
Listen up  
Come close  
I'm fucked  
I froze  
What I said  
I didn't mean  
Don't slow down for me
