

# Come Around

Peter McPoland

Hey  
Are you ready to go?  
I'm just waitin' in your driveway  
Watching the breeze blow  
Say  
What you already know  
You've been missing me for a while, babe  
I hear it in your voice, let's take it real slow

Don't you know you're wonderful?  
Don't you know you're beautiful?  
Don't you know?  
I wanna wait for you to come around

Well  
I see you look condemned  
I've noticed you pull the blinds back  
When you hear me I'm driving 'round  
So  
Aren't your parents in town?  
I don't mean to cause any trouble  
Maybe a little if that's allowed

Don't you know you're wonderful?  
Don't you know you're beautiful?  
Don't you know?  
I wanna wait for you to come around

All I really know, all I really know  
There's something to live for  
Baby, that's you  
All I really know, all I really know  
There's something to live for  
Baby, that's you  
If I die tonight, if I die tonight  
I'd die over you for the rest of my life  
If I ever die, if I ever die  
I'd die over you for the rest of my life

Don't you know you're wonderful?  
Don't you know you're beautiful?  
Don't you know?  
I wanna wait for you to come around

Don't you know?  
Don't you know?  
You know, you know, you know
