

# Question Mark

Peter Mulvey

Well a question mark is,  
It's a little wavy line above a dot or two upon your page, or  
A question marks you and you  
Wonder as it sinks into your memory  
Which you don't have, no, it has you  
All for your love; only for you  
All for your love; only for you

Well I almost died then,  
And I'm sure I would have, if I hadn't had you with me  
All the time  
But I'm old enough now, I can suckle on my own and I can,  
I can find the ones to see me through

All for your love; only for you  
All for your love; only for you

You don't know what you do to me and you don't know  
What to do about it  
I am all I can be now, I guess I'll have to stay this way

Say, I pray you'll say that you will love 'til the end and I will see  
Say I pray you will love me 'til the end I know, I know

Well a question mark is, it's a little wavy line above a dot or  
two  
Upon your forehead  
A question marks you and you wonder as in sinks into your memory  
Which you don't have, no, it has you
