Swoon  
Swoon

I just walked into the room  
I talked to the water loom  
I thanked it for the room  
I lit up in a swoon

Preachers line up to taste the fruit  
I ask sleepers for a route  
I am whoever who  
What else can I do?

Swoon  
Swoon  
Swoon  
Swoon

Blessing randomly with Lars  
I saw your look just heal the scars  
Wet my feet in the mirror moat  
I watched a preacher lick his wounds

I'll go sit with the lions soon  
I'll throw people at the sky  
Go sit with the lions soon  
What else can I do?

Swoon (Swoon)
