

# Xavier New Boy

Peter Murphy

Expanding givers visiting me  
Seconded sleepers wash into the sea  
Soft talking doctors watch shuffles and lives  
Fantastic ghettos of untried minds

Xavier, new boy, and Venus the cat  
Spinning and jamming to the castanet clack

Haroun's the barber, sheriffs getting shot  
Knocking for Deden, hoping for what he's got  
The big fish in the sea, the biggest one yet  
Sharmila's painting on hearts, Farouk's casting the net

Xavier, new boy, and Venus the cat  
Spinning and jamming to the castanet clack

Expanding givers visiting me  
Seconded sleepers wash into the sea  
Soft talking doctors shuffles and lives  
Fantastic ghettos of untried minds

Xavier, ooh, ooh

Xavier, new boy, and Venus the cat  
Spinning and jamming to the castanet clack
