Coming In Hot

Firin' some shot  
Coming in red hot  
It's a musical shot

I just load me barrel  
And I cock me hammer  
Cause I'm gonna pull my trigger  
CHORUS

One minute after dozing  
I thought that I was a blazing  
My blood it was a boiling  
It was amazing  
CHORUS

Next day it went higher  
Whole a me catch a fire  
I couldn't take it no longer  
I haffe chokin' on some cold ice water  
CHORUS

I got up the other day  
My heat it never went away  
103 on the hour  
I had to head for the shower
