

Crystal Ball

Peter Tosh

Lookin' at your crystal ball culture man
I say Lookin' in your crystal ball culture man
What do you see culture man
Tell me what do you see culture man

I see people victim
Prices rising
Gas shortage
And the dollar devalue

In the city
In a you shitty
In the city
In a the shitty

Come on lookin' at your crystal ball culture man
Come on lookin' at your crystal ball culture man
What do you see culture man
Tell What do you see culture man

I see them churches locked down
Schools closed down
Politicians promising
Teacher striking

In the city
In a you shitty
In the city
In a the shitty

Come on come on lookin' at your crystal ball culture man
I say lookin' at your crystal ball culture man
Tell me tell me what do you see culture man
Tell me what do you see culture man

I see youths rising
Blood running
Fire burning
Got crying

In a the shitty
In a the shitty
In the city
It is a shitty

Lookin' at you crystal ball culture man
I say lookin' at you crystal ball culture man
What do you see culture man
Tell me what what do you see culture man
I see truth revealing
People cleansing
Downpresser chasing
People seeing
In a the shitty...

I say lookin' at you crystal ball culture man
Keep on lookin' at you crystal ball culture man

Let us have a view on the inside
We see too much of the outside

Give me a glimpse in a you crystal ball culture man
Make me see what a gwan culture man
Long time we blind
So so blind
