

Do It Twice

Peter Tosh

You know that I love you,
Baby, but you just won't let me.
You know that I love you,
Baby, but you just won't let me.

Every morning I get up, I sip my cup;
My eyes get red, no-one to hear me.

One more thing I'd like to say right here,
Baby, but you just won't let me.
One more thing I'd like to say right here,
Baby, but you just won't let me.
I'd like to say: baby, you so nice:
I'd like to do the same thing twice, yeah!
Baby, you so nice.
I'd like to do the same thing twice.
I love you so much, so-o-o-
Love you - love you, baby, so much.
Yeah, yeah, yeah, yeah, yeah, yeah,

I live in the woods alone;
I need your (company) company.
Baby! Woods alone!
I need your company, yeah!

Every morning I get up, I sip my cup;
My eyes get red, no-one to hear me.

One more thing I'd like to say right here,
Baby, but you just won't let me, yeah!
One more thing I'd like to say right here,
Baby, but you just won't let me.
I'd like to say: baby, you so nice:
Do the same thing twice, yeah!
Baby, you so nice;
I'd like to do the same thing twice;
I love you, baby, so much.
