

Here Comes The Sun

Peter Tosh

Little darling
It's been a long, long lonely winter
Little darling
It seems like years since it's been here

Here comes the sun
Here comes the sun and I say
It's alright

Little darling
The smiles are returning to their places
Little darling
It seems like years since they've been there

But here comes the sun
Here comes the sun and I say
It's alright

Little darling
I see the ice is slowly melting
Little darling
It seems like years since they've been there

And here comes the sun
There goes the snow and I say
It's alright
It's alright

I see the ice is slowly melting
Little darling
It seems like years since they've been there

Here comes the sun
There goes the snow and I say
It's alright
It's alright

Little darling
The smiles are returning to their places
Little darling
It seems like years since they've been there

Here comes the sun
I said, here comes the sun and I say
It's alright
