

# I Am That I Am

Peter Tosh

I'm not in this world  
To live up to your expectations  
Neither are you here to live up to mine, yeah

I don't owe no one  
No obligation  
No I don't mean none  
So everything is fine, fine

I said I am that I am  
I am I am I am

Don't underestimate  
My ability  
Don't definite my character  
Don't belittle  
My authority  
It is time you recognized my quality

Learn to love  
To love your brother  
Don't covet your neighbor

Flee from the city  
It's getting shitty  
It is full of out-a-quity(Inequity)

I am the rock of the ages  
You cannot move I at all  
I am the son of lightning  
You cannot move I at all  
Son of Jacob  
Cannot move me at all  
I am the son of Moses  
You can't move I at all  
I am the son of David  
You cannot move I at all

I am a firm ripe diamond  
You cannot move I at all  
You could a shed more tears  
You cannot move I at all

You could a full of evil  
You cannot move I at all  
You could a try more nuttin'  
You cannot move I at all

And you can try make a something  
That can't move I at all  
And could a come with ism  
You can't move I at all

And could come with skism  
That can't move I at all
