Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

They took me away from you Mama  
Long before I was born  
They took me away from you Mama  
Long before I came on in

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

There's so many things about you  
Wondering where you are  
They try their best to hide you Mama  
But I search and I find you

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

In you there's so much beauty  
In you there's so much life  
In you there's so many kingdoms  
To me it's out of sight

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

You're the maker of gold Mama  
You're the maker of diamond  
You're the maker of pearls  
And the maker of all precious goals

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

I've been waiting, yearning, looking  
Searching to find you  
I've been crying, praying hoping  
That I may find you Mama

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

You're my mother Africa  
You're my father Africa

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama

I'm proud of you Mama  
I love you Mama  
I'm proud of you Mama  
I love you heavenly

Mama Africa  
How are you doing Mama  
Mama Africa  
Long time me no see you Mama
