

Not Gonna Give It Up

Peter Tosh

I'm not gonna give it up
I'm not goin'
I'm not gonna give it up
I'm not goin'
I will be fighting
I've got to be fighting
I will be fighting
Til Africa
And Africans are free

I said that I been up there
And I've seen poverty beyond compare
I know slave drivers just don't care
They just don't care

I'm not gonna give it up
I'm not goin'
I'm not gonna give it up
I'm not goin'
I will be fighting
I've got to be fighting
I will be fighting
Til Africa
And Africans are free

Africa's the richest place
But it has the poorest race
And to me it's just a disgrace
Just a disgrace

Africans don't wait too long
We gotta fight 'cause it's not wrong
Won't you join in and sing this song
Sing this song

I'm not gonna give it up
I'm not goin'
I'm not gonna give it up
I'm not goin'
I will be fighting
I've got to be fighting
I will be fighting
Til Africa
And Africans are free

To be poor it's a hurtful pain
Livin inna poverty it's a burning shame
Help yourself 'cause man you're not lame
You are not lame

I'm not gonna give it up
I'm not goin'
I'm not gonna give it up
I'm not goin'
I will be fighting
I've got to be fighting
I will be fighting

Til Africa
And Africans are free
