

# I'll Wait

Petey USA

I'll wait, I'll wait for the moment to pass  
It doesn't really matter how I feel  
Between now and then  
It always ends and  
I'll wait, I'll wait for the morning to come  
I can't really sleep right now  
But at least I'm with someone I love  
With someone I care about

I heard you took a class on breathwork, uh-huh  
Did you get claw hands? Tell me, did you feel like a lobster?  
Or an ancient plant?  
I kinda feel like that without trying at all  
Not on my own terms  
I was in the grocery store crying  
Overwhelmed by choices

I wish I could control  
Every nuance  
Every thought  
I don't really got what it takes today to get up and put shoes on  
Oh, be still, my heart, oh, be still  
Be still, my heart, be still

I'll take a shot in the dark  
A turn of the wheel  
That ain't nothing horrible  
Gonna happen here  
I'll put my hand on my chest  
What a lovely mistake  
Hazard a guess

I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait  
I'll wait, I'll wait

I'll wait, I'll wait for the moment to pass  
It doesn't really matter how I feel  
Between now and then  
It always ends
