

This Bucket Of Water

Petey USA

This bucket of water
Is heavier than last year
Is heavier than last week
How the hell did I...?

Do you feel bliss?
Yeah, I feel unparalleled bliss
A feeling like this
Implies the existence of absolute piss

A stories been told
To be young, but to feel so old
I was standing in the cold
But I could always find another warm coat, ah

Wade in the lake
Till the water starts to rise
I filled the pale
Beyond the recommended line

I think I flooded the basement

This bucket of water
Is heavier than last year
Is heavier than last week
How the hell did I get here?

This bucket of water
Is tearing my arm off
Didn't ask any questions
Didn't wanna 'cause a problem
Didn't ask any questions
Didn't wanna cause a problem
Didn't ask any questions
Didn't wanna cause a

What the hell is respect?
I don't respect anything at all
I much prefer neglect
Didn't have anything worth protecting, no

Until I met you
An unconditional love I didn't even choose
My, my, you're the apple of my eye
But what's in a man if he can't provide?
He's nothing

Wade in the lake
Till the water starts to rise
I filled the pale
Beyond the recommended line

I think I flooded the basement

This bucket of water
Is heavier than last year
Is heavier than last week

How the hell did I get here?
This bucket of water
Is tearing my arm off
Didn't ask any questions
Didn't wanna cause a problem

This lemon (What lemon?)
This lemon on the counter
Kinda looks like a painting, I'm hopelessly aging
I've got the ingredients
I'm burdened by the task
I don't wanna make lemonade
I just wanna relax
Oh, this bucket! (What bucket?)
Spilled all over the place
Think I might use the rest of it
And wash my face
Oh, this bucket! (What bucket?)
Is empty now
Think I might turn it over, think I might sit down

Think I might sit down, think I might sit down
Think I might sit down, think I might sit down
