

All Over

Petit Biscuit

It was all
Over
It was all
Over
It was all over

And for a moment
I listened to myself
I don't wanna do this
What happens if we stop?

All over
All over
All over
All over

It was all ov-
It was all ov-
And just like that
Like that
Like that
Like that
Like that
Like that
Like
It was all ov-
It was all ov-
And just like that
Like that
Like that
Like that
Like that
Like that
Like
It was all over

I don't wanna do this
What happens if we stop?

It was all over
It was all over
It was all ov-
And just like that
Like that
Like that
Like
Like that
Like that
Like

It was all
It was all
And just like that
Like that
Like that
Like that
Like

It was all ov-
It was all over
It was all over
And just like that
Like that
Like that
Like that
Like that
Like that
Like

It was all over
And just like that
Like that
Like that
Like that
Like that
Like that

It was all
It was all
And just like that
Like that
Like that
Like that
Like that
Like that
Like
It was all
