

# Chateau

# Petit Biscuit

I don't mind if you wanna go anywhere  
I'll take you there  
We can go if you wanna go anywhere  
I'll take you there  
I don't mind if you wanna go anywhere  
I'll take you there  
We can go if you wanna go anywhere  
I'll take you there

We can go to the Chateau Marmont  
And dance in the hotel room  
We can run with the headlights on  
Til' we got nothin' to lose  
We have, lifting from the ground  
We go, never coming down

I don't mind if you wanna go anywhere  
I'll take you there  
We can go if you wanna go anywhere  
I'll take you there

Every day the weekend, I'm tryna be your best friend  
Trying just to figure it out  
Come on in your Converse  
Living on the outskirts  
Trying just to figure it out  
Talking like a deadbeat, I just wanted you to see  
Everything that I could see  
Walking in the night sky, I'm always on your side  
You are really saving me

Throw me a bone  
Don't be scared of what you don't already know  
Throw me a bone  
Don't be scared of what you don't already know  
Throw me a bone  
Don't be scared of what you don't already know  
Throw me a bone  
Don't be scared of what you don't already know  
Oh, oh, oh, oh, oh

Throw me a bone  
Don't be scared of what you don't already know  
Throw me a bone  
Don't be scared of what you don't already know
