

# Forever Being

**Petit Biscuit**

And if you step into his world, with his mind  
You will see it quickly change into a beautiful, exciting world  
of fantasy

We are facing the danger  
Try to survive everyday  
Please let us fade out the routine  
To make us live forever

Waking up  
Spend the day  
Let's get drunk  
And once again  
Waking up  
Spend the day  
Let's get drunk  
And once again  
Waking up (forever)  
Spend the day (forever)  
Let's get drunk (forever)  
And once again  
Waking up  
And once again

Exciting world of fantasy  
Try to fade out the routine  
To make us live forever
